Dear Mr. Jones:

This correspondence is in response to your Request for Additional Information (RFAI) for the above referenced report.

We have updated our Statement of Organization to include all organizations who we participate with in joint fundraising activities. Unfortunately, the similarity in names of some of these organizations caused confusion in our reporting effort. This has been corrected and review for accuracy.

Regarding accounts established for joint fundraising efforts. We have listed on our Statement of Organization all depositories with accounts established for our joint fundraising efforts. The list has been reviewed to confirm it is complete and accurate at this time. There is no additional information that we can provide using the FEC electronic filing system.

As always, we make our best effort to provide complete and accurate information. I trust this response will meet your requirements, however please feel free to contact me if you have any remaining questions.

Sincerely,

Pat Huyck
Director of Accounting
